

MEMBERSHIP BENEFITS AND APPLICATION

ABOUT

Fuse Networking is an open networking group serving the Atlanta Metro Area. The group's goal is to provide members with the opportunity to develop a local/regional business network, and to support local business. Small groups meet for a mastermind breakfast round table once a month at Smoke Rise Country Club. We also meet once a quarter for a fun business after hours networking event. Not only is it the ultimate opportunity to network, but also the perfect way to get the word out about your business--all in a casual, social setting. A great deal of connections are made at these events, making for an endless potential for creating business.
